# ATL Activities

- \* Students from class 6<sup>th</sup> to 9<sup>th</sup> visit ATL Lab.
- \* We have select 30 students for ATL projects
- \* Students prepare various Robotics Projects
- \* ATL instructor provide knowledge of various electrical, electronic tools.
- \* Students participated in Asia's biggest IRC League at Rainbow International School Nagrota Bagwan, Distt. Kangra and placed 3<sup>rd</sup> in that League
- \* Drone activity for students : In this activity students learn how to prepare drone.
- \* One of our student prepare drone from scrap material and display its take Off in front of Honourable Chief Minister of Himachal Pradesh Government. Also he is appreciated by Honourable Chief Minister of Himachal Pradesh.

Proposed Plan : Due to Covid 19 physically practical of ATL is not possible. Therefore our plan is to provide knowledge of Coding online. For this we have taken online coding classes from class 6<sup>th</sup> to 10<sup>th</sup>.
